Dear Andrew,

I want to thank you for an outstanding job you did representing the sale of our St. Francis Woods house. This is the second time I contracted you as my agent. Both homes were listed previously with other agents who didn't make the sale. You took them over and within a short time, you transformed the homes and made them so lovely and appealing. After a long and difficult first round, you sold my house this time within 10 days after listing. From the beginning to the end, you were in full control of the details and moved things along beautifully and smoothly. I left the country and was traveling overseas when you called me and gave me the good news of the sale.

You are the best agent I could have ever asked for. You are always responding to my emails immediately and act on any small or big projects efficiently and professionally. I had total confidence in you and felt at ease at all time. It is my good fortune to have you represent me. I hope more people will engage your service so they will know how special you are!

Thank you so much for everything you have done for me!

Fondly,

Charlotte D
